Verse 2:
 Today was gonna be the day
 But they'll never throw it back to you
 By now you should've somehow
 Realised what you're not to do
 I don't believe that anybody
 Feels the way I do
 About you now.

And all the roads that lead you there were winding
 And all the lights that light the way are blinding
 There are many things that I would like to say to you
 But I don't know how.
